Maria Jimenez

One Stop Partnership

Eligible students of the B.E.S.T. program will be assigned to participating healthcare providers for summer work experience starting soon. They also received CPR training.

On behalf of the entire collaborative, Thank You!

*The B.E.S.T. program is hosted by Colusa Regional Medical Center,
and additional funding from:*

*Health Services Administration (HRSA) and Sierra Health Foundation,
after school ASSETS program and Colusa County One-Stop Partnership*
