Center for Human Services  
Urban and Rural: Stanislaus  
$24,918 – Food Security  
To increase access to fresh produce at food banks for low-income individuals and families through Harvesting Futures, a youth and adult volunteer gleaning project.

City of Sacramento – WayUp  
Urban: Sacramento  
$25,000 – Education/Graduation Rates  
To provide South Sacramento youth with the tools to actively lead work on building healthy communities through the WayUp Sacramento initiative, which includes training for incoming freshmen and professional development for their teachers.

Colusa County One-Stop  
Rural: Colusa  
$24,990 – Employment Skills  
To encourage unemployed youth and adults to consider health careers and a healthier quality of life through hands-on career exploration in the Blood, Energy, Sweat and Talent (BEST) program.

The Effort, Inc.  
Urban and Rural: Placer, Sacramento, Solano and Yolo  
$24,947 – Access to Health Services  
To improve health and diabetes indices for low-income residents by adding an examination room at the South Valley Center and providing equipment and supplies for diabetes care at Clinica Tepati.

El Dorado County Community Health Center  
Urban and Rural: El Dorado  
$25,000 – Access to Health Services  
To reduce teen pregnancy and sexually transmitted infection rates and improve behavioral health outcomes of young people by establishing a health clinic in western El Dorado County.
Health Mobile  
Rural: Solano  
$27,772 – Oral Health  
To improve the dental health of low-income students at three elementary schools in the Dixon Unified School District by providing no-cost preventive and restorative dental care.

Hmong Cultural Center of Butte County  
Rural: Butte  
$25,000 – Access to Health Services  
To improve health outcomes of the Hmong Community in Butte County by increasing understanding of and access to health services and community resources through education and navigation assistance.

Jackson Rancheria Fire Department  
Rural: Amador  
$7,260 – Emergency Medical Treatment  
To improve emergency medical interventions for patients in the Jackson Rancheria and surrounding communities through three state-of-the-art automatic external defibrillators and support equipment.

Latino Outreach of Tehama County, Inc.  
Rural: Butte, Colusa, Glenn and Tehama  
$25,000 – Access to Health Services  
To improve the quality of life for underserved community members in Red Bluff through connection to health and human services by adding part-time staff to the current all-volunteer model.

MMC for Children & Families  
Urban: Sacramento and Yolo  
$25,000 – Health Information Technology  
To improve the quality of health care services to low-income patients through acquiring and implementing an electronic health records (EHR) system.

Murphy’s Senior Center  
Rural: Calaveras  
$5,620 – Mental Health  
To enhance mental health crisis intervention by training volunteers in Mental Health First Aid, a certification course that helps participants better understand mental illness and respond to crisis.

People and Congregations Together for Stockton, Inc.  
Urban: San Joaquin  
$25,000 – Violence Prevention  
To reduce extreme and recurring violence in Stockton by establishing a framework of community night walks, support and resources to promote opportunities and alternatives to violent activities.
People Reaching Out, Inc.
Urban: Yolo
$20,125 – Access to Health Services
To address whole health stability of adolescents and their families with limited or no access to mental health services through school- and community-based quality mental health services.

Roberts Family Development Center
Urban: Sacramento
$25,000 – Education/Graduation Rates
To improve health and quality of life of students living in the Marina Vista/Alder Grove neighborhood of Sacramento by expanding supports and opportunities through a multi-sector collaboration.

Sacramento Native American Health Center, Inc.
Urban: El Dorado, Placer, Sacramento, San Joaquin and Yolo
$19,134 – Quality Improvement
To improve the quality of services offered to patients by developing an organization-wide quality improvement program that strives to enhance measurable outcomes.

The Salvation Army
Urban and Rural: Sutter and Yuba
$23,700 – Mental Health
To improve outcomes for homeless mentally ill individuals in Yuba and Sutter counties by assisting them in obtaining supportive services, housing and benefits.

Scott Valley Unified School District
Rural: Siskiyou
$9,600 – Physical Activity
To increase physical activity among youth and other community members by purchasing a portable activity mat to be used in the Scott Valley Healthy Youth Project.

Shasta Senior Nutrition Program
Urban and Rural: Shasta
$10,000 – Food Security
To reduce food insecurity for low-income seniors in Shasta County by distributing nutritious food, including fresh produce, at distribution sites throughout the county.

Sierra Senior Services
Rural: Placer
$10,000 – Food Security
To reduce food insecurity for low-income, homebound seniors living in the Lake Tahoe region of eastern Placer County by delivering nutritious, hot, fresh meals.
Southern Trinity Health Services, Inc.
Rural: Trinity
$22,981 – Oral Health
To improve the dental health of school-age children in the frontier southern portion of Trinity County by providing high quality dental treatment and prevention care.

St. Mary’s Interfaith Community Services
Urban: San Joaquin
$10,000 – Access to Health Services
To improve the health of uninsured residents of San Joaquin County and reduce emergency room visits by providing preventive dental care and treatment services.

Stanford Settlement, Inc.
Urban: Sacramento
$25,000 – Violence Prevention
To provide specialized groups and activities designed to teach youth conflict resolution, peaceful problem solving and anger management, and train youth to conduct conflict resolution sessions.

A Touch of Understanding, Inc.
Urban and Rural: Calaveras, El Dorado, Placer, Sacramento, Solano and Yolo
$25,000 – Violence Prevention
To increase understanding and respect for people perceived to be different and decrease teasing and bullying among youth in grades 3-12 through workshops at Sacramento Region schools.

United Way of Stanislaus County
Urban and Rural: Stanislaus
$25,000 – Access to Health Services
To increase access to health and social services through a 2-1-1 line connecting callers to local, state and federal resources.

YMCA of San Joaquin County
Urban and Rural: San Joaquin
$23,532 – Nutrition
To develop youth leaders to increase healthy eating and food accessibility among low-income students and their families in Eastside Stockton through expansion of a gardening, nutrition education and fruit harvest program.

Youth Violence Prevention Council of Shasta County
Urban and Rural: Shasta
$15,000 – Violence Prevention
To improve health and educational outcomes for youth through positive youth-adult relationships by providing staffing to connect low-income youth to adult PlusONE mentors.
