Activity Worksheet: Portrait vs. Landscape Frames

Instructions:
Write a response to the personal responsibility frame below. Use a landscape frame in your response. What are some of the factors outside of a person’s control that can help you make your case?

“Smokefree multi-unit housing is a terrible idea. People should be able to smoke in the privacy of their own homes. If you don’t want your family exposed to secondhand smoke, then don’t smoke inside your home.”
