Respite Partnership Collaborative  
May 22, 2012

AGENDA

Goals for Today
- Learn more about the impact of mental health crisis in Sacramento County and why community-driven collaboration and respite services are being developed as a response
- Continue discussion about how to engage missing perspectives/gaps in representation on the RPC
- Understand the RPC role in shaping the rollout of grant funding for respite services to address mental health crisis and the basics of the grant making process

3:00 Welcome and Overview
